orders can also be emailed to: ssandberg00@hotmail.com or wyoamingdeb22@gmail.com

I understand that the Skating Club of Jackson Hole will use their best judgment for the installation if no special instructions are given on this form or on the day of installation. A power source will be available prior to installation and clearly identifiable, along with any necessary extension cords. If no power is available, working lights cannot be guaranteed. Up to 3 strands of lights are needed for each 100 ft. coil and not more than 5 strands of lights are recommended to be connected together. Installation heights that cannot be reached by a 12 ft. ladder will not be attempted. Due to inclement weather or circumstances beyond their control, The Skating Club of Jackson Hole may need to change the installation date. Every attempt to complete the installation prior to Thanksgiving will be made. **The Skating Club of Jackson Hole is NOT responsible for the removal of the garland unless ordered.** Payments must be made by November 15th to insure availability of garland. No garland will be delivered or installed if there is an outstanding balance owed to The Skating Club of Jackson Hole. **This order form will be your invoice/receipt, NO other invoice/ receipt will be presented.**

I understand and agree to these guidelines.
