

**Skating Club of Jackson Hole
WELCOMES YOU!**

(The lessons learned in ice skating are also lessons in life. The confidence and joy you see your kids gain today will become the greatness your kids achieve in the world tomorrow).

We at SCJH wanted to take a moment and welcome you to our club and give you a little more information on our classes, freestyle ice and coaching team. We are excited you made the amazing choice to participate in the wonderful world of figure skating and know at times it can be a little confusing. So, please do not ever hesitate to ask questions! Below are so FAQ. -SCJH

CLUB Freestyle VS. CMI Freestyle: CMI Freestyle is most weekdays at 3:00-4:00pm, this is a great time to take a private lesson. You will pay the rink directly before stepping on the ice (\$10.00 one time-\$195.00 Individual session pass- \$300.00 Family). Club "Open" Freestyle sessions are available to any skater currently enrolled in afterschool classes. You can purchase a punch pass or pay each time through the SCJH.

Holiday Show: All SCJH skaters are welcomed! LTS skaters will be split into a "Low" and "High" groups. LTS skaters will practice their group numbers during their warm up (4:15-4:30pm) Tuesday & Thursdays. LTS will have a few additional Sunday show practices in addition to the Saturday dress rehearsal - all dates are listed below. Bridge will practice with our Advanced skaters Sundays at 3:30-4:30pm - all dates are listed below!

Skate Rental: Skates are available for rent through the rink (CMI) - you will pay them \$5.00 directly per use. If you wish to own your own skates, please come to our Skate swap (9/26/2019) or ask your LTS instructor where to buy online.

Locker Rental: Season rentals of rink lockers are available for \$100.00 for all levels. If you are interested, please talk with Sandy, our Club administrator.

Volunteer: The Club is always looking for parent volunteers! If you are interested in finding out how you can help our Club, please talk to our club administrator or one of our Staff Instructors!
