

**Skating Club of Jackson Hole
WELCOMES YOU!**

(The lessons learned in ice skating are also lessons in life. The confidence and joy you see your kids gain today will become the greatness your kids achieve in the world tomorrow).

We at SCJH wanted to take a moment and welcome you to our club and give you a little more information on our classes, freestyle ice and coaching team (since this year things have changed due to COVID). We are excited you made the amazing choice to participate in the wonderful world of figure skating and know at times it can be a little confusing. So, please do not ever hesitate to ask questions! Below are so FAQ. -SCJH

Private Lessons: Not sure how to start? Please go to the club's website and look at our coaches bio's. It's never too early to get private lessons! Book lessons and pay your coach directly. Ice time will need to be purchased separately either through the club or CMI.

CLUB Freestyle VS. CMI Freestyle: CMI Freestyle is most weekdays, this is a great time to take a private lesson. You will pay the rink directly before stepping on the ice (\$10.00 one time-\$195.00 Individual session pass- \$300.00 Family). The ice time mentioned above (where there is a class or practice time) is the only ice the club has purchase. Everything else is CMI.

Holiday Show: All SCJH skaters are welcomed! Due to COVID we will not be doing group numbers. We will be having skaters do a solo or socially distance duet. Skaters will need to book and pay for their private lessons if they wish to perform. Please stay tuned for more information!

Skate Rental: Skates are available for rent through the rink (CMI) - you will pay them \$5.00 directly per use. If you wish to own your own skates, please check out the club exchange group page on Facebook. -Skating Club of Jackson Hole Exchange-

Locker Rental: Season rentals of rink lockers are available for \$100.00 for all levels. If you are interested, please talk with Sandy, our Club administrator.
