### Day of Virtual Re-Test Info

*If a skater and coach feel that the skater didn't perform their best during their virtual test, they may decide not to submit the first video and re-test if time allows during the test session. This option is available for virtual testing only. Payment will be due before testing is completed. Re-testing will cover the cost of the additional ice used.*

**ONCE VIDEOS ARE SUBMITTED SKATER WILL HAVE TO WAIT THE CORRECT AMOUNT OF TIME TO RE-TAKE THE TEST IF THE FAIL (and this is not the form to fill out)**
