A COVID Free Rink

1. I understand that outside of skating I/my skater will comply with any and all state, county or local social distancing orders, quarantine orders, and I/my skater will follow any recommendations from the CDC.

Initial_____*

2. I understand as state, county, town, or CDC changes their recommendation and health orders, SCJH might revert to Original (more strict) COVID Policy including wearing masks at all times (SCJH's Original COVID Policy is available on club's webpage).

Entering the Rink/SCJH Classes

3. I understand that to enter the facility premises I/my child must be free from COVID-19 symptoms. If, during the SCJH classes, any of the following symptoms appear, my child will be separated from the group, I will be contacted, and my child MUST be picked up from the facility as soon as possible. Symptoms include a fever of 100 degrees Fahrenheit or higher, dry cough, shortness of breath, chills, loss of taste or smell, sore throat, muscle aches, vomiting, and diarrhea. While we understand that many of these symptoms can also be related to non-COVID-19 related issues we must proceed with an abundance of caution. Your child will need to be symptom-free without any medications for 72 hours before returning to the facility/classes.

4. I understand and agree that I/my skater will arrive max 15 minutes before their session/skate time. This will allow previous session participants to clear the rink. Upon entering I/my skater will try to practice social distancing and remain 6ft from all other people (except for my own child/family).

Initial_____*

5. I understand I/my skater can bring in one water bottle but may not bring food or snacks. Food is asked to be consumed outside of the rink. Please bring in only what you absolutely need.

Off Ice in the Building Before Stepping on the Ice

6. I understand that skaters are asked to come as ready as possible. Parents/Guardians are asked to ensure their skater's skates are laced tight and secure for the class/session.

7. I understand during this time SCJH staff will be vaccinated or masked. SCJH staff will continue to practice social distancing and will try to remain 6ft from skaters/parents. SCJH encourages all skaters to continue to wear mask if they are unable socially distance. This will allow time for those to get vaccinated if they so choose. I also understand that all SCJH coaches have their own mask policies for private lessons. Please check with them directly.

8. I understand that my child will be required to wash their hands using CDC recommended handwashing procedures after using the bathroom.

Stepping on the Ice... Skating with SCJH...Leaving the Rink

10. I understand spitting will not be allowed. SCJH encourages everyone to cover their coughs and sneezes with a tissue or use the inside of their elbow. Used tissues should be thrown in the trash <u>immediately</u> with hand sanitizer afterwards.

11. I understand that I/my skater will need to exit the building within 15 min of the session being over. There will be absolutely no loitering off the ice to allow the next group to come in. Please arrange skaters to be picked up in a timely manner.

Continuing Group Classes & Skating Through COVID

12. I understand that while present in the facility I/my child will be in contact with children, instructors, and other rink employees. I understand that being vaccinated, following restrictions, guidelines, and practices, will NOT remove 100% of the risk of the exposure to COVID-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection.

Initial____*

13. I understand that if I/my child has been tested for COVID-19 after potential exposure, regardless of if they are exhibiting symptoms, my child may not return to SCJH/Rink without proof of a negative test result.
