SILENT AUCTION FOR A SKATING CAUSE

*We Need Your Help To Support
SCJH & All It's Needs!*

What Is SCJH's Silent Auction For A Skating Cause About?

We continuously strive to offer a high quality, safe skating experience – by teaching teamwork, building character, leadership and confidence in our skaters, these life skills are essential!

SCJH provides over 200 hours of ice for our skaters (and just like everything our ice cost has gone up). Our Non-Profit does it's best to keep classes affordable as possible while providing scholarships to skaters in need. Program registration fees cover approximately half of the actual budgeted cost to run the programs-the remaining cost comes from grants and support from friends of the Skating Club through donations, sponsors & FUNDRAISING!

Please Join SCJH In Its Fundraising Efforts:

We ask all of our Bridge & Advanced skaters to bring in one item or items to be a part of SCJH's first ever Silent Auction for a Skating Cause. To help the club and all of its growing needs we must step up our fundraising goals! With this being said, please do your best to find item(s) that will be a good fit for our Silent Auction.
