

MAKE SHOW TIME EASY INSTRUCTIONS:

The More, The Merrier: Please invite all your friends and family! This show isn't just for skaters; it's a fun event for everyone!

Dress Rehearsal: The dress rehearsal is scheduled for Friday, December 8th. We kindly request all skaters to arrive by 4:00 pm, dressed in their tights (and nude leotards if ordered). Your costumes will be placed in the locker room with your name on them. Please change into your assigned costume (putting the less full skirt on first). After the practice, ensure that you hang your costume and place your labeled costume bag over it, tying it off at the bottom. Do not take the costume home; make sure the bag is properly labeled. Keep all locker room doors open at all times, and skaters should use the bathroom located in the lobby. To summarize: Wear tights, come to practice, find your costume, practice starts at 4:00 pm and runs until approximately 5:00 pm for Learn to skate skaters and 6:30pm for Advanced and Aspire. Leave your labeled costume with the bag on top.

SHOW DAY/s: We have two shows scheduled, an evening performance on Saturday, 12/9, at 5:00 pm, and a matinee on Sunday at 12:30 pm. I strongly recommend that skaters arrive 45 minutes early for each show. It is crucial to note that the shows will commence promptly. Skaters should ensure that their hair and makeup are done before arriving. They have the flexibility to style their hair and makeup in a manner that makes them feel confident, as long as it is kept away from their face. However, to maintain uniformity within the group, please refrain from using large bows in their hair.

Step By Step On Show Day: Upon arrival, skaters should pass through the Drop-off curtain. Help your skater locate their costume (please put on the less full skirt first) and put on their skates (they should already have their nude leotard on or change in the bathroom). Once your skater is ready, check in with the coach in charge (Coach Stephanie & Becky). After that, parents are free to leave until after their skater's second skate (they will come out for the opening and then their group number).

During the first half, your skater will participate in two numbers: the opening and their group number. After their group number (not the opening), we will ask them to return to the Drop-off curtain/locker room. Please pick them up at this point, allowing them to watch the remainder of the first half with you in the stands.

Once intermission is over (unless otherwise instructed by the coaches), bring them back, change their skirts (put on the full skirt), and check back in with the coach. From this point, they will remain backstage for their second group performance and the closing. In total, your skater will perform twice in the first half and twice in the second half. **Don't forget to bring layers, coats, gloves, and blankets to keep the kids warm!**
